Let me convey my deep respect and express the sincere gratitude for the warm reception of the delegation from Lutsk that visited the Thermal Waste Treatment Plant in Kraków to learn your experience in waste management.

Our delegation returned with the best impressions, highly appreciating your achievements and results. Representatives of Lutsk City noted that the visit to the plant was very informative and effective. I am particularly grateful for the promptness you responded to our request. I strongly believe that an experience we obtained while visiting the Thermal Waste Treatment Plant will undoubtedly help us to solve problems of waste management in Lutsk.

Respectfully yours,

First Deputy Mayor of Lutsk
